

## Billionaires Sounding

-So Romney is rich, is he?

-Not really, but fighting tooth and nail to avoid being exposed as a pedestrian cheat.

-So sad. Though the American tax system is a pain in the ass. Anybody who beats it is worthy of applause.

-Well, you must continuously bribe legislators...and they never get it completely right no matter what.

-Let's face it: We're citizens of the world!

-Yeah, but there's no fight elsewhere. A dynamic mix here. New York hits you in the face every morning!

-I prefer elsewhere. The rich club more exclusive in other parts.

-You gotta point. Here the President thinks any Jew with a couple of dollar stores in Cincinnati is wealthy.
